Roy Brown I guess it doesn't make much sense to send this now, but I heard that I was credited with your death. All I can say is I'm glad I got to you before you got to me. Your 80 kills total is pretty impressive though – definitely the number to beat. RIP. April 21, 1918

Wop May Good chase today. It looks like you were injured pretty badly. I'm guessing we won't be seeing you for awhile! April 21, 1918
